Re: Digital Channel Fraud Prevention and Account Takeover Controls

1. Multi-factor authentication mandatory for all digital channels. Transactions exceeding Rs. 2,00,000 require step-up authentication.
2. Account takeover indicators triggering real-time alerts: (a) New device + high-value transaction within 60 minutes, (b) New beneficiary + funds transfer in same session, (c) Mobile/email change + transaction within 24 hours.
3. When all three indicators occur within 60 minutes, transaction automatically held for manual verification. Customer contacted via previously registered mobile.
4. Device fingerprinting for all digital sessions. Flag: (a) VPN/proxy via IP reputation, (b) Hosting provider/data center IPs, (c) Impossible travel between distant locations.
5. Channel limits: UPI Rs. 1,00,000, IMPS Rs. 5,00,000, NEFT enhanced monitoring above Rs. 10,00,000. Max-limit transfer from new device flagged.
6. Behavioral biometrics or session analytics to detect anomalous patterns deviating from customer baseline.
